

BEAUTIFY ORCHARD PARK II
In cooperation with
THE VILLAGE BOARD

April 2010

Dear Friends,

DO YOU KNOW WHO THE BOP II IS?
WE NEED YOUR HELP!

We are now in our 30th season, the Beautify Orchard Park Committee (B.O.P. II), in cooperation with the Village Board are once again busy making plans for the 100 hanging flower baskets, some 52 sidewalk planters, and the North Buffalo Street Urban Garden which are created for the delight of all who travel through our community. In spite of the poor economy, we are hoping that as in the past, community residents and businesses will come together and help us to continue this memorable effort. As with all endeavors these days, we have found that our expenses keep going up and we are hoping that we will not fall short of our goals.

Due to an insect infestation in the hanging baskets last year, the baskets had to be taken down early. This year, we are returning to Saville's and their expert help, to give those plantings a warm, healthy and established start. There are a lot of people who give their time and energy to this project. Members of the Orchard Park Garden Club will plant the baskets and planters and the North Buffalo Street garden in late May. Then this memorable part of our Orchard Park Community relies on The Village and Public Works Department to set out the display and water it throughout the summer. The W. G. Arthur Co. funds the Urban Garden.

Our volunteers are ready to "dig in" and all we need is your help. We need the contributions of our friends to cover the cost of all the materials needed as well as the added expense of covering utilities and watering in the greenhouse. We really appreciate your past support, and hope that we can count on you again this year.

Yours for Orchard Park,
Maureen Davern
