3RD NOTICE
URGENT – PLEASE RESPOND

February 5, 2018

Dear Village Resident:

4TH Generation Construction, Inc. is in the process of replacing all water meters in the Village of Orchard Park.

If you have not scheduled your appointment as of yet, please call them at 716-299-0063 or 716-299-0178. The appointment will last approximately 30 minutes. An adult over 18 must be present.

Typical appointment hours are Monday through Friday from 7 am to 4 pm. Appointments are being made through the months of February and March 2018. We realize that some residents are employed with hours that are in conflict with this schedule or may be out of town. Every effort will be made to work with Orchard Park residents. Several Saturdays are available as well as several days in May.

It is important that your meter is changed as the current meters have reached their life expectancy.

As always your cooperation is appreciated.

Sincerely,

A handwritten signature in cursive script that reads "JoAnn Litwin Clinton".
